The screenshot shows a Windows 10 desktop environment. The background is a wallpaper featuring the character Avatar Kyoji. The taskbar at the bottom contains icons for the Start menu, Search, and several open applications including Microsoft Word, Excel, PowerPoint, and Google Chrome. The active window is a web browser displaying the Kattis user profile for Alex Smith. The browser's address bar shows the URL https://open.kattis.com/users/alex-smith. The Kattis profile page includes a user avatar, name, country (United States), university (Marist College), and email address (alex.smith1@marist.edu). It also displays a score of 1.0 and a rank of 16294. Below the profile information, there is a 'Submissions' section with a table that has columns for ID, DATE, PROBLEM, STATUS, CPU, and LANG. The table is currently empty, and a 'show all' button is visible next to it.
